

Women and Girls

Who suffer every month from Cramps, Backache, Headache, Vomiting, Dizziness or Fainting Spells should know that if a few doses of the Bitters were taken at the first symptom they would save all this unnecessary suffering. Always keep a bottle of

Hostetter's Stomach Bitters

handy and you'll always enjoy good health. Thousands of other sickly women have found this true. It also cures Insomnia, Poor Appetite, Sleeplessness, Indigestion, Dyspepsia, Constiveness, Biliousness or Malaria, Fever and Ague. We hope all sickly men and women will try it at once.

Will Wear For Ever

We have just received a fine new stock of Chinese and Japanese matting, also Chinese matting rugs. All are displayed so that you can easily select the pattern that pleases you most. These goods, as the saying is, will wear for ever. We invite your inspection.

THE NEW FRENCH REMEDY, THERAPIOL.

This successful and popular remedy, used in the Continental Hospitals by Ricord, Rostan, Jobert, Velpaud, and others, combines all the desiderata to be sought in a medicine of the kind, and surpasses everything hitherto employed.

THERAPIOL NO. 1 maintains its world-renowned and well-merited reputation for cures of the kidneys, pains in the back and kindred ailments, affording prompt relief where other well-tried remedies have been powerless.

THERAPIOL NO. 2 for impurity of the blood, scurvy, pimples, spots, blotches, pains and swelling of joints, gout, rheumatism, and all diseases for which it has been too much a fashion to employ mercury, sarsaparilla, etc., to the destruction of sufferer's teeth and ruin of health. This preparation purifies the whole system through the blood, and thoroughly eliminates all poisonous matter from the body.

THERAPIOL NO. 3 for exhaustion, sleeplessness, worry, overwork, etc. It possesses surprising power in restoring strength and vigor to those suffering from the enervating influence of long residence in hot, unhealthy climates.

THERAPIOL is sold by the principal Chemists and Merchants throughout the world. Price in England, 2s. 6d. and 4s. 6d. In ordering state which number is required, and observe that the word "Therapiol" appears on the British Government Stamp (in white letters on a red ground) affixed to every genuine package by order of His Majesty's Hon. Commissioners.

Getting the Proof.

All the printing we do is a proof of our ability. We watch the very important little things which put such excellence into the finished work. We know printing and do it to your satisfaction. We like to give estimates, prepare dummies and tell you whatever we can about the printing you want done.

SUGAR

By WILLETT & GRAY.

The Week.—Raws: Spots declined 3/32c. Refined: Unchanged. Net cash quotations this date are: Molasses, 2.97c; muscovado, 3.22c; centrifugals, 3.72c. Granulated, 4.55c. Receipts, 15,052 tons. Meltings, 40,000 tons. Total stock in four ports, 317,654 tons, against 342,602 tons last week, and 227,456 tons last year. Beet sugar quotations, f.o.b. Hamburg, 8s. 4 1/2d. per cwt for 88 deg. analysis, without bounty, equal to 2.74c. for 96 test centrifugals at New York. First marks German granulated f.o.b. Hamburg 10s. 5 1/4d. without bounty, equal to 4.34c. New York, duty paid.

Estimated afloats to the United States from Cuba and West Indies, 50,000 tons; Hawaii, 62,000 tons; Java, 25,000 tons; Peru, etc., 5,000 tons. Total, 142,000 tons, against 178,000 tons last year.

Net Cash Prices Refined.—It is generally understood that the lowest price named for refined here is basis of granulated, in barrels and bags, 4.55c. net cash, by all refiners.

Statistics by Special Cables.—Cuba.—The six principal ports: Receipts, 1900 tons; exports, 31,800 tons; stock, 193,000 tons, against 317,000 tons last year. 6 centrals grinding against 5 last year. This week's summary of the statistical position shows stocks in the United States and Cuba together of 516,654 tons, against 572,602 tons last week and 544,456 tons last year, a decrease of 27,848 tons from last year.

Europe.—Stock in Europe, 2,340,000 tons, against 1,538,000 tons last year. Hamburg reports no shipments of refined sugar to the United States this week.

Visible Supply.—Total stock of Europe and America, 2,556,654 tons, against 2,082,456 tons last year at the same uneven dates. The increase of stock is 74,198 tons, against an increase of 84,371 tons last week. Total stocks and afloats together show a visible supply of 3,011,654 tons, against 2,267,456 tons last year, or an increase of 744,198 tons.

Raws.—The advance in value of Cuba centrifugals to the parity of European beet sugar has brought the anticipated action.

It is now confirmed from London that at least 17,000 tons of beet sugar have been taken for the U. S. at basis of 8s. 4 1/2d. f.o.b. Hamburg for 96 test centrifugals at New York, equal about 3.74c. duty paid.

Naturally the meeting of prices in competition with Cuba has held in check any further advance in the latter, and in fact, prices are scarcely maintained at the full advance, the latest sales being made at basis of 3.72c. duty paid for 96-deg. test, against 3.75c. at the close of last week. Bids are now out at 1-3/32c. less than this price, say 2 1/2-16c. c. and f. basis 95 deg. equal to 3.70c. duty paid for 96-deg. test, which were accepted to the extent of 75,000 bags. We continue our quotation of 3.75c. basis 96 deg. as the spot value, as a lot of Porto Rico were taken today at that figure.

As Europe now fixes values, rather than Cuba, it is worthy of note that European markets have remained steady, but dull, during the week, at 8s. 4 1/2d., except on one day, when the fluctuation touched 8s. 5 1/4d.

The source of greatest confidence in the market maintenance is in the fact of the very large increased demand for refined sugar for direct consumption, which is well sustained and has even better prospects ahead from the peach crop States. Double the product of

peaches is reported from many sections, and the peaches already in our market from Georgia are of excellent quality.

The writer took a thoroughly ripe peach from a tree on his place in New Jersey on the Fourth of July, and has several trees now with ripe fruit, which is quite unusual for that State so early as this.

It certainly is much more satisfactory to all concerned in the sugar trade to do business on rising markets for both raws and refined as is the case this season rather than on falling markets as was the case last season.

Everybody can buy and carry stock largely without fear of loss from declining markets.

The amount of raw sugars which will be required from distant lands will hold the markets steady at least for the remainder of campaign with the certainty that any changes of importance will be on the side of advancing prices.

Receipts for the week are 15,052 tons, meltings 40,000 tons and total stocks in the United States and Cuba together 516,654 tons against 544,456 tons last year, being first time in a long period that this year's stock in United States and Cuba has been below that of last year's.

The Cuba crop figures make no change calling for special comment.

Our special cable from Cuba gives total receipts to July 1, 1,108,097 tons against 1,078,674 tons last year. The stock on July 1 is 249,544 tons against 251,879 tons last year. Further particulars of the crop will be found in another column.

The amount of sugars suitable for shipment is constantly decreasing, of course, and some holders may now find it to advantage to delay selling until later in the season.

Our special cable from Batavia gives exports of Java during June of only 14,000 tons to Europe and East Coast America, of which 10,000 tons with American options and 4,000 tons elsewhere, of which 5,000 tons to Vancouver and 550 tons to San Francisco.

Total exports for the month, 62,000 tons, against 103,453 tons last year. The harvesting is proceeding favorably and July exports are expected to be much larger.

We hear of no reports of business in Java lately, the prices asked being 9s. 9d. to 9s. 10 1/2d. c. and f. for July-August and August-September shipment, these prices being considered above our market.

Beets have been offered in this market lately at 8s. 9 3/4d. c. and f., equal to 3.75c. for 96-deg. centrifugals, but no business is reported.

Refined.—There is no change to note in prices during the week, all business being done at 4.00c., less 1 per cent., f. o. b. New York, although the Federal bid is 10 points higher.

The American and Howell have been shading a few low grades of softs to meet the Arbuckle basis.

The demand on withdrawals has been very good, but is not as large as the preceding week. Oversales, however, show no improvement, and all orders are subject to a delay of 3 to 5 days, and a few special grades, particularly small packages, and the soft grades Nos. 2 to 5, are behindhand fully a week.

Although the market is generally quieter, the undertone is very firm, and an improvement in prices is generally anticipated. Any advance, however, must await a stronger raw sugar market.

UNCLAIMED LETTER LIST

ELEVATOR FATALITY.

(Continued from page 1.)
deceased was 52 years old, having come to Honolulu a few months ago, entering the employ of the Young Hotel at the beginning of the year. He had formerly been employed as baggage porter in the steamers Sonoma and Alameda, before which he had served in the steamer Australia, being with that vessel when it was captured by the Japanese during the recent war. He was also a Spanish War Veteran, serving along with his son in the New York Regiment.

His son, who is married and living in New York, is his only surviving relative.

Since coming to Honolulu the deceased had made a large number of friends and had been well liked by his fellow employees at the Young.

CHAMBERLAIN'S COLIC, CHOLERA AND DIARRHOEA REMEDY IN INDIA.

Mrs. Sd. L. Hiscock writing from Clare Road, Byculia, India, says: "I have used and still require a good many bottles of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and have found it invaluable as a cure as well as preventive of cholera. I have found it most successful and so far have never known it to fail if given early in the stages." For sale by Benson, Smith & Co., Ltd., Agents for Hawaii.

Woman's Kidney Troubles BY AUTHORITY.

Lydia E. Pinkham's Vegetable Compound is Especially Successful in Curing This Fatal Disease.

Mrs. J. W. Lang and Mrs. S. Frake

Of all the diseases known, with which women are afflicted, chronic kidney disease is the most fatal. In fact, unless early and correct treatment is applied, the weary patient seldom survives.

Being fully aware of this, Lydia E. Pinkham, early in her career, gave exhaustive study to the subject, and in producing her great remedy for woman's ills—Lydia E. Pinkham's Vegetable Compound—was careful to see that it contained the correct combination of herbs which was sure to control that fatal disease, woman's kidney troubles. Lydia E. Pinkham's Vegetable Compound is the only one especially prepared for women, and thousands have been cured of serious kidney derangements by it. Derangements of the feminine organs quickly affect the kidneys, and when a woman has such symptoms as pain or weight in the lower back, bearing-down pains, scalding or burning sensations or deposits in the urine, unusual thirst, swelling of hands and feet, swelling under the eyes or sharp pains in the back, running through the groin, she may infer that her kidneys are affected and should lose no time in combating the disease with Lydia E. Pinkham's Vegetable Compound, the woman's remedy for woman's ills.

The following letters show how marvelously successful it is.

Mrs. Samuel Frake, of Prospect Plains, N. J., writes:

Dear Mrs. Pinkham:—

I cannot thank you enough for what Lydia

E. Pinkham's Vegetable Compound has done for me. When I first wrote to you I had suffered for years with what the doctor called kidney trouble and congestion of the female organs. My back ached dreadfully all the time, and I suffered so with that bearing-down feeling I could hardly walk across the room. I did not get any better, so I decided to stop doctoring with any physician and take Lydia E. Pinkham's Vegetable Compound and I am thankful to say it has entirely cured me. I do all my own work, have no more backache and all the bad symptoms have disappeared. I cannot praise your medicine enough, and would advise all women suffering with kidney trouble to try it.

Mrs. J. W. Lang, of 626 Third Avenue, New York, writes:

Dear Mrs. Pinkham:—

I have been a great sufferer with kidney trouble. My back ached all the time and I was discouraged. I heard that Lydia E. Pinkham's Vegetable Compound would cure kidney disease, and I began to take it; and I have cured me when everything else had failed. I have recommended it to lots of people and they all praise it very highly.

Mrs. Pinkham's Standing Invitation.

Women suffering from kidney trouble, or any form of female weakness, are invited to promptly communicate with Mrs. Pinkham, at Lynn, Mass. The present Mrs. Pinkham is the daughter-in-law of Lydia E. Pinkham, her assistant before her decease, and for twenty-five years since her advice has been freely given to sick women. Out of the great volume of experience which she has to draw from, it is more than likely she has the very knowledge that will help your case. Her advice is free and always helpful.

IN THE CIRCUIT COURT OF THE FIRST CIRCUIT, TERRITORY OF HAWAII—AT CHAMBERS. IN PROBATE.

In the Matter of the Estate of Henry Gibson of Honolulu, Deceased.

Order of Notice of Hearing Petition for Administration.

On reading and filing the petition of Henrietta Gibson of Honolulu, alleging that Henry Gibson of Honolulu died intestate at Honolulu on the 1st day of April, A.
